#### General Notice:

- Updated by AIA Health Services Sdn. Bhd. / Last updated: **September 2019**
- This listing is subject to change. Refer to [www.aia.com.my](http://www.aia.com.my) for the updated identification of panel hospitals.
- The Guarantee Letter (GL) facility is a value added service and is only available at panel hospitals. In the event of members obtaining medical treatment from a non-panel hospital, the claims will be processed on a reimbursement basis, subject to the benefits covered under their policy. This means that a GL will not be issued and the member must pay for the treatment sought and submit their expenses to AIA for claim processing.
- Most hospitals require a deposit upon admission (even when the GL has been issued). This is to pay for expenses that are not covered by the GL and the final payable amount will be determined upon discharge.

#### Platinum Hospitals:

- AIA Platinum Hospital Network** is a network of hospitals throughout Malaysia as recommended by AIA. Our recommendations are based on the hospital's delivery of quality and cost effective healthcare to all AIA medical card holders.
- Members will receive the following benefits when seeking treatment at the Platinum Hospitals:
  - Waiver of hospital administrative charges including Admin/Administrative/Administration Fee/Charges; Admission Fee/Charges; Admission/Discharge Pack/Kit; Registration Fee/Charges, Medical Record Fee and any other charges relating to the completion and processing of AHS's Pre-Authorisation Form.
  - Waiver of cash deposit at the point of admission to facilitate the admission process.
  - Shorter GL processing time.
